

IVGA Booster Club Update

January 2015

Level Meetings: Next week Sharon will be offering a meeting for compulsory levels to answer any questions you may have with regard to, “What happens next?” This is a question she has been asked several times in the past few weeks. This is **not** mandatory.

Level 2s and 3s - Wednesday, January 28th 7pm

Level 4s and 5s - Thursday, January 29th 7pm

Snack Bar Protocol: We have had some questions/concerns regarding snack bar procedures. Heather Anderson, our snack bar manager, will be putting a review sheet in our (your gymnast's) boxes. In addition, it has been brought to our attention that members have been giving items away free to gymnasts. This is considered stealing. The snack bar benefits all of us! Please pay for what you take or give away. (IOUs are acceptable for our team girls.) This does not include expired items. We are actively working on making sure everything is fresh.

Floor update: Trent has now located all the items needed to work on the spring floor. Sharon is waiting to get a date from him and will keep you all posted.

Cucamonga Classic: Save the date!!! May 16th and 17th we will be hosting our first spring meet. We will need all families who are not competing in Level 10 Nationals to participate. **This is mandatory and benefits all of our families.** You will be receiving an email from Melinda Carbo, our Fall meet secretary, with information on how you can head-up a committee. We look forward to another successful event!

Scrip: As you know, we have been tracking our Scrip orders the past several months. It is clear that in order not to lose money as a group, we need to go back to an every other week order system. Starting immediately, physical Scrip cards will be ordered the first and third Monday of each month. Scrip Now, and Scrip Reload can still be accessed anytime. If you have any questions, please contact Tracy Ono.

New Team Members: Please welcome Savannah (Shay) Kooyman, our new level 10 team member and Danica Lothrop, our new level 2 team member.

Invoices: Please be looking for invoices in your gymnast's box the week of February 1st. Optionals, please submit payments ASAP. We still have a few Compulsory Families with balances, please make payments or payment arrangements ASAP.

Coaches' Compensation: If you recall we need to make changes to coaches' meet compensation because of new labor laws going into effect this year. Sharon has met with Precision owners, their bookkeeper and will meet with our treasurer to come up with fair alternatives. She will be asking for your input as well. Be on the lookout for meeting times.
